PROFILE

Multimedia designer with a strong background in graphic design, photography, videography, drone work, and digital media. Earned a BFA in Graphic Design from East Carolina University, where I served as Senior Graphic Designer for Campus Recreation & Wellness and Vice President of the ECU Design Associates. Highly proficient in Adobe Creative Suite with experience in branding, print design, and visual storytelling. Currently a designer on ECU's Creative Services team, with additional hands-on experience in manufacturing, restaurants, and heavy machinery operation. Technical skills include building and flying drones, as well as building computers and other electronics. Through Matt Wyrick Media, I aim to highlight the full spectrum of my professional and creative work while sharing my unique vision with the world.
